

Join Us for Holy Week

Easter is a time of year that conveys hope, renewal, and resurrection. For many in our community, this holiday season will be accompanied by many hardships due to the effects of closures of schools and many businesses during this time of social isolation in response to COVID-19, as well as the loss of employment for many. The focus of the Easter offering will be to come alongside the Deacons in their efforts to provide lifesaving resources

to those closest to our Church. The Missions Council wants to be able to assist in helping to provide in this Disaster Relief.

The impact of COVID-19 in the neighborhood around the church and Marcus Whitman Elementary is expected to be significant. We want to build up our "disaster relief" account to be able to respond to the needs of our neighbors as they become known. Of course, this may include needs of those within the congregation as well.

In addition, we want to supplement the efforts by the Deacons in the Bite2Go program to provide food to area families who are already experiencing financial hardship. Due to our own efforts at “physical distancing to keep our most vulnerable safe,” direct food donations have been suspended. The shift to monetary donations, however, has not yet been adequate for the needs our Deacons have committed to meet. The Easter Offering will also assist them in this effort.

The Easter Offering this year will be collected throughout the entire month of April to allow time for those wishing to donate to this Disaster Relief effort to send in their donations. Your generous and sacrificial donation will enable your Missions Council and Deacons to make a significant impact in our community, and help to “win the right” to share Jesus Christ with them.

Thank you in advance for your generosity. Send donations (marked Easter Offering) to West Side Church, 615 Wright Ave. Richland WA. 99352. Or give [online](#) at www.westsidechurchrichland.org click “Give” then “Online Giving” then “Special Easter Offering – Bite2Go/COVID-19 Relief”.
