**This week we are praying for** Christeena Alaichamy with Sight and Light India Ministry/ASHA in India. She recently shared the following praises and prayers:

*Praises: • Christeena has just completed her second COVID vaccine. • Christeena has been able to continue to do translations of the Bible into a variety of native languages with interpreters working online • West Side has funded printing costs for several translations. • The translated Bibles are used to teach villagers how to read.*

*Prayers: • COVID situation is very bad in India, and we are in full lockdown with new cases is increasing fast. The hospitals are full and people are dying everywhere. • The vaccination roll out has not been very successful due to a lack of vaccines and people are hesitant to become vaccinated. • Please pray for my brother David who is in ICU and struggling to breathe. Please pray that the Lord may do a miracle for our family.*
