

THIS WEEK'S MESSAGE:
REBUILD AND RESTORE
Amos 9:11-15 (NIV)

- 11 "In that day "I will restore David's fallen shelter—
I will repair its broken walls and restore its ruins—
and will rebuild it as it used to be,
12 so that they may possess the remnant of Edom
and all the nations that bear my name,"
declares the LORD, who will do these things.
13 "The days are coming," declares the LORD,
"when the reaper will be overtaken by the plowman
and the planter by the one treading grapes.
New wine will drip from the mountains and flow from all the hills,
14 and I will bring my people Israel back from exile.
"They will rebuild the ruined cities and live in them.
They will plant vineyards and drink their wine;
they will make gardens and eat their fruit.
15 I will plant Israel in their own land, never again to be uprooted
from the land I have given them,"
says the LORD your God.

This week we are praying for Marie Adams with Intervarsity in Boston (MA). Marie recently shared the following:

- Our #1 goal as a team is for every staff in my area to be funded so they can serve full-time on campus. Pray for our team of 13 staff as we begin working toward our funding goals for the coming fiscal year (begins July 1).
- For me to have wisdom and insight in what to prioritize during my work weeks. I feel overwhelmed by the number of tasks I have before me.
- God's grace over our family as we raise our two boys (Jonathan 2-1/2 yrs and Caleb 8 months). Much thankfulness goes to Daniel who cares for the boys while I work, and for his service to our church in the early mornings, evenings, and on Sunday.
- Praise to God that a year of suffering with insomnia came to an end, and I am finally getting full nights of sleep once again!
