This week we are praying for Enoc and Cristina Hernandez in Brazil. Update: It has been 3 months since God moved us to Brazil to minister. •Praises that we moved into our own apartment with a good kitchen, bed, office table, and a plastic table with 4 chairs. We don't need more than that. And it has very good light. •Praises also that we are ministering full time helping to plant a church and evangelizing in a drug trafficking area. •Praises Enoc is helping a soccer ministry and Cristina has a group of women who pray for the children and school Moons on Prayer Ministry. •Pray for Enoc as his health is very poor and we have to start with new doctors which will be all private and more expensive. God have mercy. •Pray that in Sept. we will be able to join a missionary agency so once again our ministry can be sponsored by others.

THIS WEEK'S MESSAGE:

Summer Trainees & Roátan Trip

Connor Brown

The Trainee program is a 50+ year tradition of investing into a few college students that they might be a blessing to the people in the church.

Josh Grover

The Roátan partnership with Dwellings is a new and developing tradition that has seen a number of families be blessed through West Side's financial donations and labor to help build homes. Today, we get to hear about both of these amazing ministries and the impact they have had.
